6. Page 02318-6, paragraph 3.2.3. Disposal of Unsuitable and Excess Materials. Delete this paragraph in its entirety and substitute the following revised paragraph:

"The Contractor shall dispose of all unsuitable materials and any excess suitable materials excavated from above El. 8.2' at the Bucktown Marina. The Bucktown Marina is located on the Jefferson Parish lakefront off Old Hammond Highway. The Bucktown Marina disposal site is accessed from Old Hammond Highway by a ramp over the lakefront levee. The ramp is approximately opposite the intersection of Carrolton Avenue and Old Hammond Highway. The site is accessible from the I-10 via West End Boulevard to Robert E. Lee Boulevard to Old Hammond Highway. The Contractor shall dispose of all unsuitable materials and any excess suitable materials from below El. 8.2' at the Jefferson Parish Harahan Disposal Area. The Harahan Area is located immediately west of the south end of the Hickory Avenue Overpass over the railroad tracks south of Airline Drive. The site is accessed from Hickory Ave, an extension of David Drive south of Airline Drive. David Drive parallels the job site. Disposal of excavated materials shall be accomplished as follows:

(1) The Contractor shall give the Contracting Officer five (5) days notice prior to disposal of excavated materials at either site. In addition, the Contractor shall give the Contracting Officer a minimum of 24 hours notice of the Contractor's intent to cease delivery to any site for a period of more than one (1) day.

(2) Operating hours at the sites are Monday through Friday from 7:00 a.m. to 6:00 p.m. Should any excavation activities take place outside of these hours of operation, the Contractor shall stockpile these excavated materials on-site and promptly dispose of the stockpiled materials as soon as the appropriate site opens. The Contractor shall stockpile the excavated materials as directed by the Contracting Officer.

(3) At the disposal sites, the Contractor shall deposit the excavated materials in six-foot piles that overlap or back up against each other or as directed by the Contracting Officer to provide for maximum use of available space. The contractor will not be responsible for the shaping or spreading of any excavated materials hauled to and deposited at the disposal sites.

(4) The Contractor will not be required to provide washracks and flagmen at either site."
